

## 2024-25 Upper School Supply List

### General Supplies

Paper, pens, pencils, highlighters

\*Supplies needed for each class are discussed at the beginning of the school year and students have time to gather them.

### English

Students should bring their summer reading text as indicated on the [summer work page](#).

### World Languages

Chinese, French, and Spanish students:

- Headphones with a microphone that has a USB port

The teacher will recommend other supplies at the beginning of the school year.

### Math and Science

Graphing calculators are required in all courses. Our guidelines specify that all students should have their own TI-83, TI-84, or TI-Nspire CX calculator. The TI-84 is the preferred calculator and has all of the applications that are needed for our courses and standardized tests.

Please check to ensure your student has a working calculator before returning to school. The calculator guidelines for the most common standardized tests are below. Please note that a Desmos graphing calculator is now available on the PSAT, SAT, and ACT.

PSAT/SAT: <https://collegereadiness.collegeboard.org/sat/taking-the-test/calculator-policy>

ACT: <http://www.act.org/content/dam/act/unsecured/documents/ACT-calculator-policy.pdf>
